User story 1

As a customer I want:

- To access the menu
- So that I can view the various pizzas

User story 2

As a customer I want:

- To view the toppings

- So that I can contemplate my order.

User story 3

As a customer I want:

- To be able to select my preferred topping(s).

- So that I can customize my pizza.

Story 4

As a customer I want:

- To view the drinks menu

- So that I can decide what to drink together with my pizza.

User story 4

As a customer I want:

- To view my order

- So that I know much I need to pay

User story 5

As a owner I want:

- To view monthly orders

- So that I can see how my business are doing

User story 6

As a owner I want

- To view the daily orders

- So I know which days of the week are the most profitable.

User story 7

As a customer I want:

- To view the expected time for my order

- So I know when to stop by for my order.

User story 8

As a pizza delivery guy:

I want to see the address for my current order
- So I know where to deliver my order

User story 9

As a customer I want:

- To view side dishes

- So I have the option to get a small order of fries for my pizza.

User story 10

As a customer I want:

To be able to have my food delivered

- So that I can order from home.
